LIVE THE LITURGY

INSPIRATION FOR THE WEEK

Jesus came for everyone. No one has an exclusive claim on Christ and his birth not only transcends time and space but earthly boundaries as well. Every human being is a child of God. Jews and Gentiles alike are all coheirs, partners and members of the same body. This insight or epiphany is what we celebrate today. It also expresses our hope that one day every nation on earth will recognize and adore Jesus Christ. Jesus' message of peace, justice, reconciliation and love are meant for everyone to hear and understand.

About Beautiful Hope

We live in a culture that produces hopelessness with astounding consistency. When everything seems chaotic and we are faced with a

multitude of negative realities, we might be tempted to say that nothing makes sense anymore. But we are not alone-God walks with us and his presence fills us with hope. Because of this we are able to smile in the midst of our difficulties. Despair is defeated because God is with us. Hope does not disappoint! What gives you hope? What are your hopes and dreams? Today many are worried about the future and what it holds. Many are concerned about the future of our Church. If we are to become people who can shine the light of faith into the darkness of our world, things must change. We need an infusion of hope so we can see more clearly and live boldly as children of God. Plan to pick up your copy of this book along with "The Little Black Lenten Devotional Book" after Mass on Ash Wednesday.
